BEST IN THE WORLD, 1878 HUGHES & BURNER CLOUGH & WARREN ORGANS

CAPTIVATE THE WORLD.

While the competitors of the Clough & Warren have been accredited with producing Smoothness, Eveness of Tone, &c., it remained for the Clough & Warren alone to receive the Crowning Honor of producing, in a pre-eminent degree (to use the exact words of the Judges' report,) "Volume with Purity of Tone, having the character of the Diapason in the ordinary (Pipe) Organ," a distinction bespeaking the Highest Possible Musical Qualities; the desideratum eagerly aspired to but not attained, by other manufacturers. And to this the remaining distinctive clause of the Judges' report as basis of Award, to with the because of certain mechanical arrangements which facilitate the working of the Instruments, together with neatness of design and ornament, combined with simplicity of construction,' and you have the description of an Instrument, deservedly leading the first rank, in critical judgment of the Musical World, deservedly leading the first rank, in critical judgment of the Musical World, deservedly leading the first rank, in critical judgment of the Musical World. Qualifying Tubes. For which we have the exclusive control for the United States, are enabled to impart to a Reed, in addition to all ordinary desirable qualities the paramount characteristic, pronounced by the World's best judges, as that of the Diarason Stop in Pipe Organs; thus confirming our pre-existing claim to Equality to Pipe Organs of some capacity. STANDARD FERTILIZERS.

World's best judges, as that of the Dispason Stop in Pipe Organs; thus conserning our pre-existing claim to EQUALITY TO PIPE ORGANS of some capacity.

All Instruments decompanied by a written guarantee for 5 or 7 years.

Fifty Different Styles, Quality & Volume of Tone Unequaled For the Parlor and the 'hurch. The best material and Workmanship.

To Special Terms to Churches and Ministers. A Specimen Organ can be seen at the Presbyterian or Methodist Church in Woodstock Va.
